

### Step 1: Getting Started

- Install the Overdrive Media Console App from the App Store.
- Press the Settings tab at the bottom of the app.
- Create an account by clicking on the Register at Adobe.com box.
- In the Overdrive Media Console App, press the 'Get Books' icon in the bottom left hand corner.
- Click on the Add a Library link. Type in 60015 or Deerfield Public Library.
- Click on the NSLS-My Media Mall link.

### Step 2: Selecting a Title

- Select title from the list of EPUB eBooks listed, use the 'Search' or 'Browse' icon, or press "more..." for more EPUB titles.
- If an eBook is available, click the Add to Cart Button. If the title is not available, click on the Place a Hold button and follow instructions.

### Step 3: Downloading a Title

- Select available title and press **Proceed to Checkout** link.
- Sign in by selecting **Deerfield Public Library** and input your library card number.
- Press the **Confirm Check Out** box.
- Press the **Download** box. Your book will begin to download automatically.
- Once your book is downloaded, press on the picture of the book to begin reading
