

How long can I check out a downloadable audio book and can the book be renewed?

For most titles the check out period for downloadable audio books is 14 days. Items cannot be renewed but can be checked out again if they are available. A user may check out up to 5 items at a time.

How do I return the audio book?

Once the lending period has elapsed, the book is automatically returned. Books cannot be returned early. The file will remain on your computer but will not be accessible. Files should be deleted from the computer after the loan period has expired.

How do I transfer the title to a portable device?

- Connect your device to the USB port on your computer.

- In Over-Drive Media Console, highlight the title you want to transfer and click the Transfer button.

- The Transfer Wizard will search for a connected portable device. Click Next to begin the transfer. A success message will display when the transfer is complete.

You cannot download to an iPod.
