Evidence by Jonathan Kellerman

Jonathan Kellerman has written two dozen Alex Delaware novels, the first in 1985. Each stands up as a great read and is articulate and instructive.

Psychologist Delaware and Police Lieutenant Milo Sturgis head a cast of well-defined characters from Academia, professions, police, politics, and everyday people with various levels of competence, integrity, and intellect. The author delivers a tour of the good, the bad, and the ugly of greater Los Angeles.

Readers familiar with Kellerman will be well satisfied. New readers are in for a treat and can look forward to 23 earlier books to enjoy.
